Why choose us?

Oxford Spires International provides an ideal environment for young learners to develop their skills and confidence in using the English language.

Oxford Spires benefits from being part of the Oxford Active family, which has been providing safe and exciting programmes for children in England since 1998.

We have educational experiences operating all year round, which means we have full-time staff focused on the development of our programmes and providing a personal, safe and consistent service for our students.

Our friendly and dedicated team are always happy to help. From enquiries to logistics, specific course requirements, and special requests, we will offer support and guidance wherever possible.

Oxford Spires is proud to be accredited by the British Council, and to be a member of English UK and English UK Young Learners.

Whether through full immersion at a local school, a themed English programme, or simply enjoying fun activities with other local and international students – we provide as many opportunities as possible for students to test and expand their English communication skills throughout their stay. So, talk to us about your next UK visit. Oxford Spires will always aim to deliver the best possible programme; professionally, proudly, and with the Oxford Spires spirit!

Testimonials

“The accommodation is fantastic! I had such a good time with my English family. I really enjoyed the food – especially the breakfast!”

“I have nothing but wonderful things to say about Oxford Spires and their programmes. I was there just recently with a group of students on their UK School Integration Programme – my students were completely satisfied and thrilled about the experience. I truly like the experience because it can be tailored to students’ needs. The staff at Oxford Spires are amazing!”

“I loved the classes! I learned a lot in a short time and I found the love for study again. My teacher was very good. He speaks and explains in a very clear way. Also I think my teacher is very funny. I am really glad to be with my host family! They’re really nice and very kind. I loved the food too.”

Academic Outline

All of our programmes follow a dedicated and carefully designed course syllabus, which covers all levels of the Common European Framework of Reference for Languages' (CEFR).

The key features of our programmes are as follows:

- Entry test on arrival (comprised of multiple choice, written and oral sections) to assess each student's ability
- Students are then placed in an appropriate class of ability
- Small classes of 12-15 students with lots of personalised learning and attention for all students
- 15 to 23 hours of dedicated English lessons
- A variety of teaching techniques to ensure that the learning process is enjoyable and develops confidence in the use of the language, both written and oral
- Students have preparation for excursions in class to maximise their educational experience
- Projects and activities designed and developed to increase leadership skills, teamwork and social interaction

Social & Cultural Activities

On-site activities

We organise a range of on-site activities, which can include: arts & crafts; swimming; football; basketball; mini Olympics; team building games; cricket; treasure hunts; photography, and more! Students are placed in groups according to their age for the majority of our on site activities, to ensure fair and full participation.

Day trips

Students will enjoy one or two full day excursions plus one half day excursion each week, depending on their programme. We also organise other activities and local visits to places of historic and cultural interest throughout the week. Please see our individual programme pages for more details and sample timetables.

Evening activities

We keep our students busy with a fun-packed schedule of evening activities such as quizzes, movie nights, discos, talent shows, and team building games. Evening activities are included for all students on residential programmes. One optional evening activity per week is available to homestay students, for a small supplement.

Accommodation

Residential

Our Residential locations provide:

- Great locations near our school buildings and city centre
- Managed accommodation with 24/7 live-in support
- All meals provided on site
- Great social spaces and common rooms
- Suitable for groups and individuals
- WiFi available in all locations

We offer a range of comfortable and spacious residential accommodation to meet the needs of our international students.

Our residential staff live on site at the accommodation and someone is always available to offer support and assistance. Depending on which location you choose, the residential accommodation may offer single, twin, or dormitory-style rooms. Typically, bed linen is provided and rooms are cleaned each week.

Areas for students to relax and socialise are available at each of our residences, such as sitting rooms, common rooms and outdoor areas. WiFi is available throughout and laundry facilities are often available on site as well.

All of our residential accommodation is located on campus or within walking distance of the schools.

Homestay

Our Homestay locations provide:

- Friendly, welcoming hosts
- Available in Oxford and Cheltenham
- Homes in areas with good public transport links
- Regularly inspected by our local organisers and held to British Council standards
- Breakfast and dinner provided by the host family, hot and cold lunch served at school (packed lunch provided by host family on excursion days)
- Suitable for groups and individuals

Staying with a host family is the perfect way for learners to put their English into practice and immerse themselves in British life. Homestay families welcome students as guests and are there to help them.

From busy households with young children and pets, to professional couples, to those whose children have grown up and left home, we have a diverse range of host families to suit all homestay requirements.

We work closely with homestay accommodation agencies for our placements to ensure the best experience possible for our students.

Our mission is to provide a safe, enjoyable and enriching learning experience. We aim to be helpful and efficient, honest and reliable, and strive to build students' confidence in using the English language through meaningful experiences.

Student Welfare

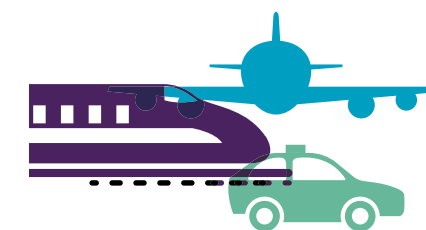

The safety and welfare of our students is a top priority for us. These are some of the ways in which we care for our students while they are with us, and the services we provide to ensure they are safe and happy:

- 24 hr emergency telephone number for students, their parents and group leaders
- Handbook covering all aspects of the programme distributed in advance to students and group leaders
- Qualified First Aiders on site at the school and at the residence
- Thorough student and group leader inductions upon arrival, which outline key safety and welfare elements of the programme
- Regular fire drills carried out at the school and accommodation
- Fully DBS checked staff, including our drivers
- A rigorous job application process for all staff members, and regular Continuous Professional Development (CPD) training
- Compulsory safeguarding training for all of our staff members before they commence employment
- School policies regarding to safety, welfare and safeguarding followed by all staff and group leaders, and available upon request
- Dedicated staff members assigned to students travelling without a group leader
- Regular formal and informal student feedback opportunities throughout their programme, to ensure that they are having a positive experience
- Free NHS service for EU students (we recommend that non-EU students take out their own insurance, which we can advise upon)
- All specialist diets/preferences can be catered for

Transfers

Transfers from all major airports can be arranged. We can also offer transfers to our nominated local airport Monday to Friday – this may incur an additional charge.

All transfers provide a full Meet & Greet service, collecting students from the Arrivals Hall and dropping back at Departures at the end of a stay. We set time limits to ensure that no students are waiting too long at the airport before travelling to the school.

We can also accommodate students travelling with an airline UM service for a small additional charge.

St Edward's School, Oxford, Spring Vacation

*Combine Learning English
with Activities & Excursions*

The beautiful buildings of St Edward's School provide a perfect backdrop for students wishing to sample life at a British boarding school.

'Teddies' is located in the lively urban area of Summertown, and is less than a two-minute walk away from a compact collection of cafés, supermarkets, quirky independent shops and a popular artisan baker.

Summertown is one of Oxford's most affluent and upmarket areas, and St Edward's School has a world-class reputation with excellent facilities, making the location of this programme a highly attractive feature.

Oxford, as a 'world famous' University city, provides inspiration for students aspiring to learn and who are keen to explore. In addition to its academic significance, Oxford is a beautiful, friendly, and lively city, perfect for young people.

As part of this programme, our visiting students have the opportunity to enjoy exploring the city's museums, galleries, University Colleges, shops, cultural sites, and attractions.

Anglia Ruskin University, Cambridge, Summer Vacation

*Combine Learning English
with Activities & Excursions*

Cambridge is the perfect place to be a student, not only because of its rich academic history, but also because the tradition of learning and academia is still an important part of its culture.

From exploring the university colleges, visiting the museums, strolling across the Mathematical Bridge or trying punting for the first time, the programme gives a truly rounded look at everything the city has to offer.

In lessons students are encouraged to draw on their existing knowledge of English and communicate freely with their international peers. Our teachers aim to create speaking opportunities, encouraging students to activate language and use it in a meaningful context.

Integration

Year-Round Academic & Integration Programmes

We welcome a variety of groups throughout the year on our General English and School Integration programmes.

Our innovative School Integration Programmes offer a fantastic opportunity for students from all over the world to experience student life and the British education system in UK primary and secondary schools.

We have partnerships with a variety of schools located across the South and South West of England, who we work with to ensure that our international guests have an interesting and rewarding experience with us.

Our flexible General English programmes can be customised to suit specific group requirements, such as incorporating themes to the lessons and activities.

Why not contact us for more information about our tailor-made academic and integration programmes?

We offer three types of integration programme throughout the year:

Full School Integration*

A full-time school integration programme

English Tuition Plus School Integration

General English

Our General English short stay programmes divide each day into EFL tuition and fun and cultural activities. Whether you are looking for a Harry Potter theme, exam preparation or football coaching, the flexible nature of this programme means that it can be adapted to the specific needs and requirements of any group.

Our practical, communicative English tuition focusses on encouraging students to put their language skills into practice in real-life contexts. Lesson content is also related to the scheduled trips and excursions throughout the programme – meaning that learning continues outside of the classroom.

Oxford Spires students

Oxford Spires Academic Summer School, Cheltenham Ladies' College

The Oxford Spires Academic Summer School aims to provide learners with a balance of inspiring lessons, fun activities and interesting cultural experiences.

The programme timetable is designed to keep students busy and engaged, and maximise their time with us.

Personalise your timetable to suit your interests!

All academic programme timetables include:

Assembly

Daily assembly is a great opportunity to bring students together and outline the day ahead.

English Lessons

Our communicative English lessons are designed to encourage confidence and enjoyment whilst developing English language skills. All students will complete a language assessment at the beginning of their programme in order to better identify their language level and learning needs.

Clubs

Students can further personalise their programmes by choosing between co-curricular clubs such as tennis, photography, computer programming and music.

Global Studies

(Seniors, B2 minimum)

Taught by lecturers and industry professionals, subject areas include:

- Globalisation
- Political Leadership
- International Environmental Protection
- Transitional Justice

Homework Session (Seniors)

Teacher-led study sessions are a great way for Senior students to consolidate new information and speak to their teacher if they need any additional support.

Academy Electives

Students can choose from a variety of interesting and engaging academy electives to complement their study programme across the two-week course.

Social Programme

Our fun and lively evening activities, such as discos, quiz nights and talent shows, encourage students to wind down, communicate and socialise in a more relaxed environment.

Excursions

Three exciting excursions per fortnight allow students to visit new places and attractions in the UK and learn more about our rich culture and history.

Students may choose from the following options to personalise their timetable and focus on specific areas of interest alongside their English study programme. Each academy is subject to availability and early booking is encouraged. Please contact us for further information about which academies are available during your chosen programme dates.

Science

A practical academy covering areas in Physics, Chemistry and Biology. Learners aim to achieve their CREST certification, which can be included in their Record of Achievement when applying for university.

Learners should be interested in science and have a good understanding of English. The course is very hands-on and practical, making this a highly enjoyable option.

Mathematics

An option for those wishing to develop their problem solving skills. Experienced academics have created a modern blend of tasks, assignments and project work to test the full range of levels and abilities.

Performing Arts*

This fun academy is perfect for aspiring actors! A local performing arts company delivers fun and engaging sessions culminating in an evening show on the final day of the programme.

Sports & Recreation

For students interested in combining language and literature learning in the morning with sporting activities in the afternoon. Traditional British boarding school sports are all included such as:

- Badminton
- Cricket
- Hockey
- Rugby
- Volleyball

All sessions are led by our activities team, who are trained and guided towards providing the best possible instruction. A perfect preparation for those planning to study at a UK school in the future.

Extra English (Senior programme)

This option is for learners who wish to take additional English lessons that are *not* English language lessons. Instead, classes are centred around key subject areas in order to prepare students for further study in the UK. Subjects such as Geography, History or Anthropology and opportunities to engage in debates, develop terminology and study-specific language.

Art

A practical academy aimed at creative learners who are interested in pastels, paints, clay and felt. Learners work towards a final weekly project. All abilities are accommodated.

Tennis (Senior programme)*

Run by qualified LTA tennis coaches, this academy offers private classes to set new challenges and teach new techniques.

**Incurs an additional charge. Please contact us for more details.*
